## SUMMER MEETINGS/SUMMER SAFARI 2021

Depending on the relaxation of restrictions, it is intended that, if possible, we will meet on the first Tuesday of each month from June to August in the Pitbauchlie Hotel at 19:00 - 19:15 for a get together and general chat.

I am at present setting up a Summer Safari based in Fife. I hope that we will be able to car share and take the travel photographs as a team ( and for the ladies team, I hope that the coffee shops will be open - essential on a wet day! ).

Details of the Safari will be published in my next newsletter (June/July) and on our website in the members only section. It will be available for downloading from the website.

I am proposing that the safari will be in 3 parts:-

**Part 1** - This part will require the teams to travel around Fife to photograph various places of interest. Approximately 25 photos.

**Part 2** - This will be more general and the photographs can be taken at any time with the one proviso that they are all taken within Fife. Approximately 10 photos

**Part 3** - Will be subject/interpretation based. Approximately 5 photos.

A team photo will also be required based on a theme to be decided.

I hope to have the full list/safari ready before May giving plenty of time for the teams to arrange their day trips and put their thinking caps on. Any member not in a team but who wishes to participate should contact me.

If possible, it is hoped to have photo trips/days out over the summer - details will be published on the website in the members section and sent out to members by e-mail.

In the meantime stay safe and well and enjoy spring and early summer.

Best wishes
